

Tattoo Refreshes

(existing clients only)

Brow Tattoo Refresh – 12-24 months - 1.5 Hours \$350

This service is for those who have had their brows previously tattooed by me. For a refresh the colour should have faded by approx 50%, as we don't want to over saturate the skin with pigment and re tattoo the area too soon. If you're uncertain please contact me. Remember everyone's skin is different, if you are highly active, have oily skin or spend a lot of time outdoors, you may need them refreshed sooner than others.

Lip Tattoo Refresh – 12-36 months - 2 Hours \$350

This service is for those who have had their lips previously tattooed by me. The longevity of a lip tattoo will depend on the colour and depth of colour chosen, and lifestyle. Ideally the colour will have faded by approx 50% as we don't want to over saturate the skin with pigment and re tattoo the area too soon.

Eyeliner Refresh – Timing and price will vary

This service is for those who have had their eyeliner previously tattooed by me. The longevity of eyeliner will depend on the style and colour chosen, and lifestyle. Ideally it will have faded approx 50%. Please contact me for an estimated quote.

Minor touch Up After Refresh \$50-\$100

Cosmetic Tattooing

Consultation - 30 Mins \$60

A consultation is included in your first session, although can be booked on its own if you are feeling unsure about the different options and what is right for you. This will include going through consultation forms with medical history etc to see if you're eligible, discussion on options and a pre draw of the recommended shape and colour choice. The cost of this is deductible upon booking your chosen procedure. Please book this if you have had previous work done elsewhere and would like a cover up or refresh.

Cosmetic Tattoo bookings require a \$100 deposit to secure. This will be deducted from your touch up appointment

BROWS

Powder Brows

Powder Brows are done using a machine and are suitable for all skin types including oily skin. This is my most popular option as we can vary the intensity to whatever you're after e.g very soft and subtle, medium or bold for a more "makeup" look.

Powder Brows 1st Session - 2 Hours \$480
Powder Brows 2nd Session - 1.5 Hours \$250
(\$150 with deposit deducted)

Ombre Brows

Ombre Brows are essentially powder brows but with the front of the brow more diluted and soft for an "Ombre" look. These are done using a machine and are suitable for all skin types including oily skin.

Ombre Brows 1st Session - 2 Hours \$480
Ombre Brows 2nd Session - 1.5 Hours \$250
(\$150 with deposit deducted)

Combination Brows

Combo Brows are both hair strokes (generally at the start of the brow) blended into shading for a defined yet natural look. This technique suits most skin types and typically lasts longer than microblading alone.

Combo Brows 1st Session - 2 Hours \$490
Combo Brows 2nd Session - 1.5 Hours \$250
(\$150 with deposit deducted)

Microblading

Microblading (also known as feather touch) is a technique where individual hair strokes are tattooed into the skin using a manual tool. This is best suited to those with a relatively even brow base and dryer skin types. Microblading is not suited to an oily skin as the strokes can blur and will fade a lot faster, it's also not suitable for a mature/fragile skin.

Microblading 1st Session - 2 Hours \$400

Microblading 2nd Session - 1.5 Hours \$250
(\$150 with deposit deducted)

2nd Sessions - This session is necessary to perfect your brows, we may need to adjust the colour, depth or shape, it is advised that you book this when booking the first session if possible. Each session should be booked 6-8 weeks apart

Eyeliner

Stardust or Smokey Liner 1st Session - 2.5 Hours \$450

Stardust is a shaded liner technique on the upper eyelids. This look is customised to the individual, either a soft smokey line or a bolder look.

Upper or Lower Lash Enhancement 1st Session - 1.5 Hours \$290

A lash enhancement is a thin line (also called nano liner) through the upper lash line. This subtly defines the eyes and creates an appearance of thicker lashes.

Upper & Lower Lash Enhancement 1st session - 2.5 Hours \$400

Classic Upper Liner Medium Thickness 1st Session - 2 Hours \$350

Classic eyeliner is similar to the lash enhancement but thicker and more visible. It's has a defined edge (like liquid liner)

Classic Upper Liner Thick 1st Session - 2 Hours 15 Mins \$400

Visible Liner Upper & Lower 1st Session - 2.5 Hours \$550

Eyeliner

2nd Session - 2 Hours \$200

Your \$100 deposit will be deducted at this session. All new eyeliner bookings require a second session at 6-8 weeks, you will be advised on the timeframe.

Lips

Your \$100 deposit will be deducted from your first session as a touch up is not always required

Lip Tint Tattoo

1st Session - 2 Hours \$590

A lip tint tattoo is a sheer tattoo over the entire lip giving a tint effect. This can be done up to a few shades brighter than your natural lip colour but keeping to the same tone for a natural effect.

Lipstick Effect Tattoo \$650
1st Session - 2.5 Hours

A lipstick effect tattoo is a more solid colour. Any colour can be chosen for this treatment.

Lip Tattoo

2nd Session - 1.5 Hours \$50-\$100

This can be booked 6-8 weeks after your first Lip Tattoo appointment. This is not always necessary for a lip tint option, it will depend on the colour chosen and how they've healed. A lipstick tattoo will often require two sessions. Price and timing can vary.
